

Dear Parents,

In preparation for the coming school year, below are links to the health forms. The Dispensing of Medication Authorization form is required for every student. The Athletic Form and the Sudden Cardiac Death Form are required to be filled out annually if your child will be participating in sports. If there have been any updates or changes in immunizations or health, or if your child has asthma, allergies, or is on medication, the corresponding form(s) must also be filled out. Completed forms should be e-mailed to nurse@frisch.org.

If you have any concerns or questions please feel free to contact us. Best wishes.

Sincerely yours,

Leah Shteingart R.N.

Leah.Shteingart@frisch.org

Mark Infield EMT
