

Dear Parents,

We are upgrading our Frisch parent portal to facilitate your submitting documents that the school requires for your son's or daughter's personal health records, as well as the additional requirement for vaccine information.

For those who have already submitted your medical forms through email or direct mail; you will not need to resubmit these forms on this new feature as they have already been uploaded for you. However, you will use this portal to upload your child's vaccine information. Please follow the directions below to make certain that your information is complete and accurate.

**To access Magnus Health Portal:**

- On our website, [www.frisch.org](http://www.frisch.org), go to the [Frisch Portal](#) (pawprint on the top right). Click the orange "Magnus Health Link" box.
- Next to your child's name, click the orange "Complete Now" button.

**If you have not yet submitted medical forms:**

- Follow the instructions that will guide you through the process and various uploads. Outstanding items will have a red "to do" tag next to them. Completed items will have a green check or yellow triangle (pending approval from the nurse's office) in the status column.

**If you have already submitted your forms:**

- After logging-in to the Magnus program, check each screen to verify that each of your submitted forms are on file. Additionally, please answer the question regarding vaccination information. If you encounter any issues, please email [nurse@frisch.org](mailto:nurse@frisch.org).

All outstanding medical forms should be submitted by August 23. If you have any questions or concerns, please email [nurse@frisch.org](mailto:nurse@frisch.org).

Enjoy the rest of the summer vacation in good health. We eagerly await greeting all of you to begin the new year.

Nurse Leah Shteingart
