

Dear Parents,

In preparation for the upcoming school year, your child's medical forms and health questionnaire should be submitted on Magnus, our medical database.

To access Magnus:

1. Click [here](#) to access your portal (or go to frisch.org and click "Frisch Portal")
2. Once logged in, click the orange block labeled Magnus for a direct login to Magnus. (To use the Magnus App follow the directions on the next page and note a new login will need to be created.)
3. Please answer the section marked "conditional questions" as it will determine additional forms you may be required to submit.
4. Complete all sections. Some forms can be filled out on Magnus directly, while others will need to be printed and signed by you and your physician. Once completed, you can upload back onto Magnus. All forms must be uploaded - we do not accept hard copies.

Any students who plan on trying out for an athletic activity, including dance, fencing, track, and intramural sports must fill out the Athletic and Cardiac forms.

These forms must be filled out annually.

All forms must be submitted before the first day of school.

Thank you and have a great summer! Sincerely yours,

Leah Shteingart, R.N.

Leah.Shteingart@frisch.org

Review your answers to the Conditional Questions: Note - by selecting yes to a question, the corresponding form will become available to submit on the "To Do" list.

Questions and Forms

Magnus App Instructions:

To use the Magnus App, you must create a login name and password which can only be done through your Magnus account, accessed through the Parent Portal.

- 1) Login to your Parent Portal (www.frisch.org) and click on the orange Magnus Portal Login button to enter Magnus.
- 2) When you are logged into Magnus, hover over your name in the upper left corner of the screen.
- 3) Choose "Change Credentials."

- 4) Create a Username & Password (We suggest using the same username and password as the parent portal - aka your email address.) These will be the credentials that you will use for the mobile app login only. This will not change how you access the Magnus Portal through your school's website.

- 5) On your mobile device, download the new mobile app that is named "Magnus Health" from the Apple Store or the Google Play store.

- 6) Log into the new Magnus Health mobile app from your phone using your new username & password.
