

Tuition Assistance Application Directions

Financial aid applications will be processed through [FACTS Grant & Aid Assessment](#).

The deadline for submitting a complete application for tuition assistance is April 21, 2025.

Applications will continue to be accepted until May 5, 2025, with a \$500 late fee.

Applications submitted after May 5, 2025, will NOT be reviewed.

STEP 1 – Login

Login to FACTS <https://online.factsmgt.com/aid>. If you have created a FACTS account to pay tuition at any school at any time, you have an existing account to log in with. It doesn't matter what school you were enrolled in at the time that your FACTS account was created. If you have never enrolled in FACTS, you will need to create an account. Please see these [FAQs](#) from FACTS for help to login or reset your password. You can also contact a FACTS Customer Care Representative at 866-441-4637 for assistance.

STEP 2 – Complete Application

- Choose “Start Application” to apply for Financial Aid.
- Select the term of 2025-2026.
- Select “Add School / Organization” on the first page and **add all schools where you will have children enrolled for the 2025-26 year including daycares, Israel yeshivot and colleges** more detailed instructions below).
- The parent completing the application is considered the applicant. In cases where the parents are married or filing jointly, the second parent is required to be listed as the co-applicant. Any adult living in the household who financially contributes and/or has expenses in your home must be included on the application as a co-applicant. Divorced parents would not list each other as a co-applicant if each parent were filing a separate aid application.
- In the “Additional Questions” section, the first question requires every applicant to submit a written narrative to explain their circumstances and why they are applying for aid. The tuition assistance committee stresses the importance of providing these critical inputs, without which, the application is comprised of mere data and numbers devoid of vital color to the circumstances.
